- 25X1X 1. [REDACTED], whom there is every reason to believe to be reliable, states that all Government troops formerly operating on the Sino-Burmese border have either been withdrawn or have been paid off with C.N.R.R.A. funds.
- 25X1X 2. [REDACTED] does not believe there are any organized military activities in this region but he does not exclude the possibility that scattered groups of bandits remain there, who might conceivably, in the event of war, align themselves with resistance people.
